<i>Preface to the First Edition</i>	xi
<i>Preface to the Second Edition</i>	xiii
<i>Preface to the Third Edition</i>	xv
<i>Preface to the Fourth Edition</i>	xvii
1. Presurgical Considerations	3
Dean A. Hendrickson, DVM, MS, DACVS	
<i>Preoperative Evaluation of the Patient</i>	3
<i>Surgical Judgment</i>	4
<i>Principles of Asepsis and Antisepsis</i>	4
<i>Surgical Classifications</i>	4
<i>Role of Antibiotics</i>	5
<i>Preoperative Planning</i>	5
<i>Preparation of the Surgical Site</i>	5
<i>Postoperative Infection</i>	6
<i>References</i>	6
2. Anesthesia and Fluid Therapy	7
Khursheed Mama, DVM, DACVA	
<i>Anesthesia</i>	7
<i>Fluid Therapy</i>	23
<i>References</i>	29
3. Surgical Instruments	33
Dean A. Hendrickson, DVM, MS, DACVS	
<i>Use of Surgical Instruments</i>	33
<i>Preparation of Instruments</i>	38
<i>General Surgical Instruments</i>	39
<i>Instruments Used Specifically in Large Animal Surgery</i>	52
4. Suture Materials and Needles	61
Dean A. Hendrickson, DVM, MS, DACVS	
<i>Suture Materials</i>	61
<i>Needles</i>	67
<i>References</i>	69
5. Knots and Ligatures	71
Dean A. Hendrickson, DVM, MS, DACVS	
<i>Principles of Knot Tying</i>	71
<i>Ligatures</i>	73
<i>References</i>	76
6. Suture Patterns	77
Dean A. Hendrickson, DVM, MS, DACVS	
<i>Basic Suture Patterns</i>	77
<i>Suture Patterns Used for Closure of Hollow Organs</i>	83

<i>Stent Bandages (Tie-Over Dressings)</i>	88
<i>Suture Patterns for Severed Tendons</i>	88
<i>References</i>	91
7. Principles of Wound Management and the Use of Drains	93
Dean A. Hendrickson, DVM, MS, DACVS	
<i>Wound Management</i>	93
<i>Methods of Closure and Healing</i>	96
<i>Use of Drains</i>	97
<i>References</i>	101
8. Reconstructive Surgery of Wounds	103
Dean A. Hendrickson, DVM, MS, DACVS	
<i>References</i>	111
9. Equine Orthopedic Surgery	113
Dean A. Hendrickson, DVM, MS, DACVS	
<i>Medial Patellar Desmotomy</i>	113
<i>Lateral Digital Extensor Tenotomy</i>	114
<i>Inferior (Distal) Check Ligament Desmotomy</i>	119
<i>Superior Check Ligament Desmotomy (After Bramlage)</i>	122
<i>Superficial Digital Flexor Tenotomy</i>	124
<i>Deep Digital Flexor Tenotomy</i>	126
<i>Sectioning of the Palmar (or Plantar) Annular Ligament of the Fetlock</i>	127
<i>Palmar Digital Neurectomy</i>	129
<i>Amputation of the Splint (II and IV Metacarpal and Metatarsal) Bones</i>	131
<i>Arthrotomy of the Fetlock Joint and Removal of an Apical Sesamoid Chip Fracture</i>	134
<i>References</i>	136
10. Equine Urogenital Surgery	139
Dean A. Hendrickson, DVM, MS, DACVS	
<i>Castration</i>	139
<i>Cryptorchidectomy by the Inguinal, Parainguinal, and Flank Approach</i>	152
<i>Laparoscopic Cryptorchidectomy</i>	155
<i>Caslick's Operation for Pneumovagina in the Mare</i>	156
<i>Urethroplasty by Caudal Relocation of the Transverse Fold</i>	159
<i>Cesarean Section in the Mare</i>	160
<i>Circumcision of the Penis (Reefing)</i>	164
<i>Amputation of the Penis</i>	166
<i>Aanes' Method of Repair of Third-Degree Perineal Laceration</i>	169
<i>References</i>	174
11. Surgery of the Equine Upper Respiratory Tract	177
Dean A. Hendrickson, DVM, MS, DACVS	
<i>Tracheostomy</i>	177
<i>Laryngotomy, Laryngeal Ventriculectomy, and Ventriculocordectomy</i>	179
<i>Partial Resection of the Soft Palate</i>	183
<i>Surgical Entry and Drainage of the Guttural Pouches</i>	186
<i>References</i>	189
12. Equine Dental and Gastrointestinal Surgery	191
Dean A. Hendrickson, DVM, MS, DACVS	
<i>Repulsion of Cheek Teeth</i>	191
<i>Ventral Midline Laparotomy and Abdominal Exploration</i>	196
<i>Standing Flank Laparotomy</i>	202
<i>Umbilical Herniorrhaphy in the Foal</i>	207
<i>References</i>	210
13. Bovine Gastrointestinal Surgery	211
A. N. Baird, DVM, MS, DACVS	
<i>Principles of Laparotomy</i>	211
<i>Flank Laparotomy and Abdominal Exploration</i>	212
<i>Rumenotomy</i>	215
<i>Rumenostomy (Ruminal Fistulation)</i>	219

<i>Surgical Corrections of Abomasal Displacements and Torsion</i>	221
<i>Surgical Correction of Cecal Dilatation/Volvulus</i>	231
<i>Small Intestinal Resection and Anastomosis</i>	231
<i>References</i>	232
14. Bovine Urogenital Surgery	235
A. N. Baird, DVM, MS, DACVS	
<i>Calf Castration</i>	235
<i>Urethrostomy</i>	236
<i>Hematoma Evacuation of the Bovine Penis</i>	241
<i>Preputial Resection and Anastomosis in the Bull</i>	245
<i>Surgical Techniques for Teaser Bull Preparation</i>	248
<i>Inguinal Herniorrhaphy in the Mature Bull</i>	252
<i>Unilateral Castration</i>	257
<i>Cesarean Section in the Cow</i>	258
<i>Retention Suturing of the Bovine Vulva (Buhner's Method)</i>	265
<i>Cervicopexy for Vaginal Prolapse (after Winkler)</i>	266
<i>References</i>	270
15. Bovine General Surgery	273
A. N. Baird, DVM, MS, DACVS	
<i>Digit Amputation</i>	273
<i>Digit Amputation via Disarticulation</i>	274
<i>Eye Enucleation</i>	276
<i>Cosmetic Dehorning</i>	277
<i>Rib Resection and Pericardiotomy</i>	280
<i>Repair of Teat Lacerations</i>	283
<i>Third Eyelid Resection</i>	288
<i>Tracheotomy</i>	288
<i>Umbilical Surgery</i>	289
<i>References</i>	290
16. Small Ruminant Surgery	293
A. N. Baird, DVM, MS, DACVS	
<i>Dehorning the Mature Goat</i>	293
<i>Disbudding the Young Goat</i>	295
<i>Obstructive Urolithiasis</i>	296
<i>Mastectomy</i>	297
<i>Vasectomy</i>	298
<i>Cesarean Section</i>	299
<i>Rectal Prolapse Resection in Small Ruminants</i>	300
<i>References</i>	301
17. Camelid Surgery	303
A. N. Baird, DVM, MS, DACVS	
<i>Castration of the Llama</i>	303
<i>Cesarean Section in the Camelid</i>	304
<i>Tooth Removal in the Llama</i>	305
<i>References</i>	309
18. Swine Surgery	311
A. N. Baird, DVM, MS, DACVS	
<i>Castration of the Piglet</i>	311
<i>Inguinal Herniorrhaphy in the Piglet</i>	312
<i>Cryptorchid Castration of Piglets</i>	314
<i>Preputial Diverticulum Ablation</i>	316
<i>Cesarean Section in the Sow</i>	317
<i>Ovariohysterectomy in the Pot-Bellied Pig</i>	319
<i>Rectal Prolapse Ring Placement</i>	319
<i>References</i>	320
